Lee's Summit Quilter's Guild, established 1983

A Message from Sheryl

We had a very enjoyable day on our recent bus trip. Thanks to Jan Lally and Elly Gray for making the day so pleasant. There was lots of material, patterns, quilting notions, etc. to purchase, ideas to contemplate, samples to admire and great hospitality from each of the quilt shops we visited in Columbia, MO. Then we had a very relaxing time with lunch overlooking the Missouri River. The fellowship was spectacular. I hope each of you who went on the trip took the opportunity to become better acquainted with some of our fellow guild members.

We will soon be bringing this guild year to a close and focusing on the new year ahead. With a new year always comes renewed enthusiasm and lofty goals. The nominating committee is hard at work securing those who will serve on our board for the coming year. Each of you is unique and can bring fresh talents to our guild. Please consider sharing your talents with our guild members. It requires many members to fill the offices and committee chairs to make a successful guild. Peggy Patterson, Patty Rhoades and Lois Ervin, *your nominating committee*, will be contacting many of you. Please respond with careful consideration.

Remember, in September we will be revealing our resolutions. If you haven't completed yours yet, there's still time! As I write this, it is 102 degrees. We are preparing for an ice cream social tonight. Here's hoping you are coming up with your own ways to stay moderately cool.

Happy quilting.

* The Quilters Last Will & Testament

Being of sound mind (a statement which does not bear close examination), I _____ do hereby record my last will and testament. Knowing that _____, my _____ (husband, sister or friend) hasn't the least appreciation for, or for that matter, knowledge of my extensive fabric collection, which collection is suitably deposited in sundry places for safe keeping. Knowing also that _____ has already notified the local dumpster to pick up and dispose of the before-mentioned collection "willy-nilly" (the thought of which causes me a most severe case of hives). Therefore, I do will this collection and all other collections related to it, to my dear friend and fellow fabric preservationist, _____.

It is my wish that she/he, upon hearing of my death and obtaining clear proof that I did not manage, although goodness knows I tried, to take it with me, would come to my home post haste, before the dumpster, and search out my collection which is similarly stored at her own abode. That she should rescue said collection and stack it in my quilting studio, along with my sewing machines, frames, old buttons, lace, patterns, quilts, dolls and works in progress. After she/he has done this, she/he should purchase refreshments for my friends not yet departed, which friends are also her/his friends, and every last one shall be in that room and they shall hold a wake and say lovely and kind things about me until they run out and then they shall divide amongst themselves, by lot, my wonderful collection. I shall be hovering over that very spot until this is done. _____ shall then quit this spot and close the door, leaving trivialities to those who do not understand.

This is my wish on the matter.
